

Register to become a Certified Canine Massotherapist:
Canine Massage Certification
Featuring Instructor: Sigle Skeries of Treetops

Sigle (Sheila) of Treetops has joined with e-Training for Dogs to bring you the opportunity to earn a Canine Massage Certification that is Internationally recognized without having to leave your home using Webinar technology. Three comprehensive courses and case study submissions will assure your clients that you are highly competent and qualified to entrust their pets to you.

50 plus hours of in-class study either "live" (students meet on the telephone and computer at scheduled times each week) or "recorded" (students watch recorded, interactive online presentations on demand) **for only \$2,040**. Imagine the savings by being able to take this class from home and still have a Live instructor!

No Travel, No Time off Work. Learn in your own home listening and discussing **LIVE** with Sigle, watching video demonstrations, and applying her techniques with her ongoing guidance.

[Several Sessions Available.](#)
